

Summer 2017

Kid\$ Line....

For Kids who \$ave at Nashville Firemen's Credit Union

The Magic of Saving

It's always fun to receive money -- whether it's your allowance, a birthday gift -- or a surprise left behind by a family friend.

How do you make sure some of that money sticks around? You save it, of course! Ask your parent to help you make a deposit into your NFCU savings account this summer! Just like flower buds and baby birds, the money in your savings account will naturally begin to grow! And that, my friends, is the magic of saving! ■

Attention all Kids!
Coloring Contest Deadline is July 31st.

Color the picture on the flip side for a chance to win a **\$25** deposit into **YOUR** savings account!

GIVING NATURE A HAND!

Welcome to your summer issue of Kids Line! In this issue, let's explore two fun ways that we can work with Mother Nature to make the season extra special for all her creatures.

Chirp Chirp Hooray!

Everywhere you look, birds are busy building their nests! As with any good parents, our bird friends want to raise their young in a safe and comfortable environment!

You can help make sure those nests are as cozy as can be! How? Two words: **DRYER LINT**. Ask your parent to show you how to collect the clean fluffy lint that's left behind in the clothes dryer vent. (Towels leave behind the thickest, fluffiest lint!)

Do you have a porch or deck rail? Even a bush will do. Leave that wad of lint where the birds can see it, and watch it disappear! If you're lucky, you might see an excited Papa Bird filling his beak with it and flying up to the nest. Mama bird is going to be delighted! And just think, YOU helped! (Collect some more and do it again! There are LOTS of birds who'll appreciate your efforts!)

Water water everywhere?

Maybe not. Nashville is prone to dry spells, you know. Birds, squirrels and other wild animals need plenty of water to remain healthy and strong. (The same is true for us, right?)

It's EASY to be a friend to a thirsty animal -- any time of year! Just find a container, fill it with clean, fresh water, place it outside -- and watch the action unfold! Don't be surprised if you see squirrels, birds, bunnies -- even the neighbor's cat -- enjoying a cool drink of water (or even a quick bath!) And it will be all thanks to YOU for taking such care of your animal friends!

Welcome Summer!

Ready...Set...Start coloring!

Good Luck!

Hey Kids! Color this picture and enter our contest for a **\$25** prize!
Make sure we get your picture by **July 31, 2017**.
